Attachment "A"

I, Prisma K. Lopez, a Special Agent of the Homeland Security Investigations (HSI), have knowledge of the following facts:

1. On September 14, 2014, Benito VASQUEZ, a Citizen of Mexico attempted to enter the United States via the Lincoln Juarez Bridge II in a 2002 Chevrolet Malibu displaying Tamaulipas license plate number XJJ 2353.
2. U.S. Customs and Border Protection (CBP) officers obtained a negative declaration from VASQUEZ. VASQUEZ stated to CBP officers that he was heading to Wal-Mart to do some shopping.
3. VASQUEZ was referred to secondary inspection. During the inspection, CBP officers discovered thirty six (36) cellophane wrapped packages containing a crystal like substance that field tested positive for methamphetamine. The 36 bundles had a gross weight of 17.08 kilograms and were concealed in non factory compartments located in the front fenders of the Malibu.
4. Homeland Security Investigations (HSI) special agents responded to the seizure and read VASQUEZ his rights pursuant to Miranda in the Spanish language. VASQUEZ waived his rights in writing and agreed to answer questions without an attorney being present.
5. VASQUEZ stated that he was hired by his friend Hector Hugo SANCHEZ to cross the Malibu into the U.S and drive it to Dallas, Texas where he was to deliver the vehicle with the narcotics to unknown subjects.
6. Upon further questioning, VASQUEZ stated that SANCHEZ told him that there would be five kilograms of Marijuana hidden in the Malibu and admitted that he was to be paid \$5,000 Mexican pesos upon delivery of the vehicle in Dallas.
